Dear Sir:

In reply to the Office Action mailed January 3, 2002, the period for reply having been extended by petition to June 3, 2002, please amend the above-identified patent application as follows:

IN THE SPECIFICATION:

Amend the paragraph at lines 11-20 of page 7 to read as follows:

A1 To achieve the desired match between opto-mechanical and electronic scans, two conditions need to be satisfied for all scan angles within the FOR. Ideally, the projection of the TDI axis of each FPA onto the Earth's surface must always lie along
